Series Cabinetry

CENTRA
Overlay Cabinetry

Centra Series cabinetry is built on the foundation of the finest custom lines and provides an outstanding value in limited-custom cabinetry. An extensive selection of traditional and contemporary door styles combined with an array of space saving organizational accessories and a palette of hand applied finish options satisfies even the most discerning homeowners. Our engineers and artisans have incorporated hand craftsmanship with precision machining methods and construction techniques to create exceptional cabinetry for the home.

PREMIER

SERIES CABINETRY

PREMIER
OVERLAY CABINETRY

The Premier Series encompasses a fully custom product line in Overlay, Inset, and EuroStyle cabinetry and offers handcrafting from the finest quality wood species. Precise detailing is combined with state-of-the-art technology and an oven-cured catalyzed conversion varnish finish to produce superior crafted cabinetry for any room in your home.

Premier EuroStyle offers an expanded product line that includes exotic wood species, stylish laminate products and a selection of reconstituted wood veneers.
