Maximized storage

Large cabinets and drawers fitted around plumbing provide ample storage in each vanity. Models 48" and larger offer additional drawer storage.

Solid furniture-style construction

High quality MDF wood materials and furniture-style construction provide a long lasting furniture vanity.

High quality MDF wood

MDF provides a strong yet flexible wood material that looks beautiful painted or stained, while being more economical to produce. All materials used in Elements vanities meet strict CARB2 certifications.

Full extension slides

All Elements vanities are equipped with full extension slides to maximize the usability of the drawer.

Designed for 8" widespread faucet

Each countertop is pre-cut for use with an 8" widespread faucet.

Solid countertop

Each countertop is solid granite, marble or porcelain. No composite or fillers are used.

Options for tops

The most popular Elements styles are also available without a top so that you can customize the look of the vanity.

Variety of styles & sizes

From 24" single to 72" double, there is an array of sizes and styles to fit any need.
