

OPEN THE DOOR TO
NEW POSSIBILITIES

MARSH CABINETS

On February 29, 2016, Marsh Furniture Company announces the single largest product event in many years.

With over 400 SKU's, this release is about two primary things: simplification and expansion. These significant enhancements will simplify the design, ordering, and installation processes when working with Marsh Furniture products. In addition, we are adding more sizes and new items to help you create increasingly unique designs.

Inside this brochure you will find details around the following new items:

NEW PRODUCTS

- Roll-out tray SKU's
- Installed accessory SKU's
- Utility cabinet expansion
